The Art Show 2015 Fact Sheet

Organized annually by the Art Dealers Association of America—a non-profit membership organization—The Art Show offers collectors, arts professionals, and the arts-interested public the opportunity to engage with an incredible range of artworks through thoughtfully-curated single-artist and group installations. For the 27th edition of The Art Show, ADAA leadership selected 72 proposals out of more than 110 galleries' submissions, ensuring the high standard of artistic quality and diversity that has become synonymous with the fair. The connoisseurship and expertise present during the fair's five-day run in March 2015 continued to distinguish The Art Show among the field during New York's Arts Week. Proceeds raised from The Art Show Gala went to benefit the Lower East Side's Henry Street Settlement.
